

Imagine Your Country Home Here!

Lot 1 Kaimata Road North, Kaimata, New Plymouth District

Price: Price on Application

Imagine your country home right here on Kaimata Road North, warm and vibrant, with soup simmering on the log fire box. Fresh vegetables straight from the garden, sitting on the chopping block at the kitchen island, a walk in scullery and a freezer for storing home grown food on your land.

Enjoy the smell of freshly cooked sour dough sprinkled with fresh crushed herbs.

Then sit down in the thinking chair, an old fashioned comfy sort of chair in a sunny corner of your own home, it doesn't have to be a big home, but with this realistically priced section you really

can buy and live in the country. Admire the snowy capped distant mountain and the emerald green rolling hills.

Power and water are the purchasers responsibility and cost, the power can be accessed at the power pole on the roadside, when a building is erected a tank and pump can be installed for collection and personal water use.

It's a quick trip to Inglewood, even quicker to Kaimata School and just the right size to plant fruit trees, run some chooks and a pig or two.
4300sqm approx of gently elevated north facing land for sale subject to title.
