Conveniently located in a quiet Westown location, immaculately maintained and presented, this very spacious family home with sea and city views is hard to match.
You will love the open-plan living which opens to a north-facing outdoor area making the most of all-day sun, and gorgeous sunsets.

The floor plan presents options with two levels that could be self-contained.

The main living level with a modern kitchen, two bedrooms, two living areas, separate laundry and dual-entry en suite bathroom are upstairs.
