Are you looking for an opportunity to get into the property market, add value, and increase your equity?

This 1900's villa with potential awaits - it has been lovingly styled on the interior, and now calls for a new owner to finish off the exterior and complete the restoration!

Featuring a beautiful open-plan kitchen/dining area and separate lounge, two bedrooms and an office, combined bathroom-laundry and a separate toilet.

The house was relocated onto the site and has been re-roofed, re-wired, re-plumbed and re-piled.

Heated with a log burner, HRV, and also the convenience of a heat pump.

The section is a 675sqm sloping site with potential - landscape and build a deck to make the most of amazing mountain views and the green outlook.
