

Superb Office Space in CBD.

167 Devon Street West, New Plymouth Central, New Plymouth

Price: By Negotiation

This amazing project is about to get underway. There will be several floors available in early 2024 after extensive refurbishment and earthquake strengthening. The floors will be approx 300 m2 each, plus individual facilities on each floor. The level of fit out will be very high and tenants will be able to walk in and work in a turnkey operation. All floors will include air conditioning, floor coverings, blinds, plus lift access and car parks will be available on site. This will be a sought after option in the CBD so the landlord is looking for expressions of interest from potential tenants to secure their space.

For pricing information and further plans and project timelines, call today.
