

Unique And Modern

150 Orlando Street, Stratford, Stratford District

Price: **SOLD**

Located towards the outskirts of town this sleek and modern home is in a class of its own and once viewed it will really prove itself to be the one you are looking for. Expertly designed and built this mono-pitch home is spacious throughout and offers a bright and airy open plan living/dining and kitchen with breakfast bar. Along with multiple options for easy indoor/outdoor flow onto an extensive deck there is more than enough room to entertain the family and friends while enjoying the all day sun.

Offering three double bedrooms, modern and spacious family bathroom, double glazing, insulation throughout, gas hot water, double garage and all set on over three quarters of an acre of prime fully fenced Taranaki land.

This should be more than enough to plant the seed so my only advice is to come and view this home as it really is one you'll enjoy.

*Subject to title and estimated land size is 2859m².
