

Quality Land In Brixton

5 Rona Road, Brixton, New Plymouth District

Price: By Negotiation

24.04 ha located off Pennington Road Brixton and running down to Doorbar Lake. This property has it all with fantastic views and plenty of flat to easy contour land affording multiple building options.

This property has most of the old dairy farm infrastructure with a disused cowshed and yards and implement sheds with a well maintained race that has had a recent application of metal on part of it.

Good contour land for cropping on the upper tier with some good grazing land down by the lake. This property is one in a million so don't miss out.
