

Fantastic Location

Skeet Road, Te Roti, South Taranaki

Price: Offers Over \$950,000

Located approx. 10 kms from Hawera is this 16.9310 Hectares (41.8365 Acres) currently used as a cropping/supplement block. With its location on the corner of Skeet Road and State Highway 3 (Boylan Road) the property lends itself to its current use because of its location being so close to the Main Road for cut and carry!

The options are all yours as it could be a great position to build your dream home and convert the land back to grazing as it has an excellent building site off the Skeet Road entrance looking straight at Mount Egmont.

While there is no internal fencing or water reticulation there is a well and pump in place but currently not in use. All boundary fencing and live hedging are in excellent condition.

Superb showpiece location, this property has endless options.

Don't miss this one.
