

Seeing Is Believing

1918 Egmont Road, Kaimiro, New Plymouth District

Price: Price on Application

An impressive property with a shelter belt completely surrounding the boundary and an even more stunning entrance way, stone wall, wrought iron electric gates and then a tree lined driveway.

Extensive planning here, to build a 24m x 12m shed in the ideal position, colourful gardens, a large parking area... an exquisite formal garden just like the pages of a garden magazine, this property will keep you guessing right down to where are the water tanks?

1918 Egmont Road is full of surprises, tucked away out of sight is a spacious two bedroom apartment in a neutral colour scheme with open plan living, everything you could possibly need to live exactly how you want. Loads of storage including a must see gigantic walk in hot water cupboard.

The land size is 4.0010 hectares approximately, oodles of flat space here for you to build a comfortable country home looking out at that stunning distant sea view up the Taranaki coast. Continue the current regime of carrying no stock or bring your young stock with you and enjoy watching them grow.
