

Okoki Grazing

1399 Okoki Road, Okoki, New Plymouth District

Price: By Negotiation

92.77 ha previously for lease is now on the market with plenty of grazing and views forever from the terrace. The property has an abundance of native bush framing the farm with natural water aplenty. This block would also lend itself to forestry with plenty of plantable land and road access for the harvesting of the block.
The property is bareland only so the new owner will need to erect any infrastructure required.
