Investors, Renovators, Make Money Here!

68 King Edward Street, Eltham, South Taranaki

Price: SOLD

This 1960s three bedroom home could benefit from some TLC, but investors and renovators will see money to be made here!

Located in a great street and neighbourhood, only a stone throw from the centre of town and amenities, is this handsome home in the making. Its sizeable lounge faces north, as do two of the three bedrooms.

It enjoys a private outlook, and boasts a large carport and very tidy yard. Investors take note: with a reliable and tidy tenant, this could be just the right buy.

Priced to sell, you may have to be quick. Call now to view.
