

Marire Tender

.. Page Street, Stratford, Stratford District

Price: SOLD

The Marire Home site has many stories to tell, but sadly it has come to the stage where continued renovation is no longer an option so is now up for sale via the way of Public Tender and whilst the boards decision to sell didn't come easy it was helped with knowing that the proceeds of the sale will be used for another exciting new development for Stratford's older generation.

Set over six titles with a combined flat land area of 7204m² this site bordering three streets and close to Stratford town centre and amenities offers many options.

As well as the main rest home building consisting of the facilities you would expect, the site also hosts three self-contained units.

Further details will be provided to all serious buyers, viewings are strictly by appointment only and the tender date of 4pm Thursday 15th July 2021 will be adhered too (there will be no option of buying prior to tender)

All Tenders to be delivered to McDonald Real Estate, 288 Broadway, Stratford.
