

Matau Drystock Farm

568 Matau North Road, Matau, Stratford District

Price: SOLD

This 1337.9707 Ha (3306.05 acres) Drystock Farm is located in the established farming district of Matau. The property comprises of some 500 Ha (1235 acres) of strong grazing land which carries a mixture of 2500 MA ewes and 110 MA beef cattle. Added to this is around 100 Ha (247 acres) of established Manuka with the balance of the farm being native bush.

The surrounding country is a mixture of owner operator drystock operations and extensive Department of Conservation Land.

You will be surprised with the development work carried out by the current owner. The farm has had extensive fencing work completed that includes laneways for easy stock movement, new fence lines and covered in stock yards as well as new sheds.

This property is located approximately within 45 minutes of Stratford and 50 minutes of Inglewood which offer fantastic farming support businesses. Whangamomona is also within easy driving distance of approximately 35 minutes, which offers refreshments and restaurant food at the world famous Republic of Whangamomona Hotel.
